

RE: WMA 2022 National Convention and Professional Development Symposium

To Whom It May Concern:

The Women Marines Association (WMA), in conjunction with the NV-3 Sagebrush Chapter, is proud to host the WMA National 2022 Convention and Symposium. This biennial event will be held in Las Vegas, NV from September 29 thru October 3, 2022. We invite you to support our efforts and impact.

Your organization is in support of those who have served and those who are currently serving honorably in the Armed Forces. By becoming a corporate sponsor, your investment will provide our military and Veterans with the recognition, resources, and services they deserve.

WMA has four brand pillars that are the foundation of our mission and who we are.

We Connect	We Serve	We Celebrate	We Stand
We connect with our fellow women Marines and continue the camaraderie as we network across generations and geography.	We serve our Veterans as a united force to make a positive impact on all aspects of veterans' health and welfare.	We celebrate our legacy of service as Marines and preserve the history of the trailblazers who opened the doors for our present Marines.	We stand united for the issues that matter to women in the Marines.

The funds we raise through our sponsorship efforts have not only benefited all Veterans in need, but also enable us to continue our mission both locally and nationally. We are hoping that you will join us in our mission!
