#### The Presidents Initiative

For Nov/Dec the Initiative was to do a food drive for a local food pantry or to benefit the a veteran in need or the VA.

We are happy to report that we had several chapters and members who completed this task. I was honored to be with VA-3 Hampton Roads chapter to help in the are food drive.

I am extremely proud to be an U.S. African American Woman Marine ! Why do I state that ..... because all of those are me but they don't define me , because I am always elevating to where I am most needed. Basically, I'm here to serve. My sisters and brothers in the Corps are different, we are different hues of green, but we operate as One and I love each person for their originality and what they bring to my life .
