June Important Dates

1 June 1942 - Recruiting of black Marines began.

4 June 1942 - Japanese attacked Midway whose defenders included Marine Aircraft Group 22 and the 6th Marine Defense Battalion (Reinforced)

June 7, 1918: Today in Marine Corps history, outside of Paris in Belleau Wood, the 4th Marine Brigade fixed bayonets and charged at the enemy. They endured low supplies, heavy casualties and blistering enemy fire. After 20 days of intense fighting against the Germans, the Marines won the battle and the Germans labeled them "Devil Dogs" for fighting so tenaciously

12 June Women Veterans Day: Women Veterans Day is observed on June 12 in the United States, a date chosen to mark the anniversary of the Women's Armed Services Integration Act. The date is not recognized nationally, but is recognized by a number of states, either through legislation or proclamation, and organizations.

14 June Flag Day: America's Flag Day marks the Second Continental Congress's adoption of the first U.S. national flag on June 14, 1777. The first flag featured the same 13 red and white stripes we see today. However, the number and arrangement of stars have changed as the number of states has increased over the centuries. The current flag has remained the same since 1960.

17 June 1898 Navy Corpsman were established. Navy corpsmen get their names from the U.S. Navy's Hospital Corps. Established in 1898, the Hospital Corps gave the U.S. Navy the ability to give enlisted sailors formal medical training. Corpsmen assist doctors on board ships and submarines, and some are attached to Marine units.

19 June Juneteenth: Juneteenth is the oldest nationally celebrated commemoration of the ending of slavery in the United States. From its Galveston, Texas origin in 1865, the observance of June 19th as the African American Emancipation Day has spread across the United States and beyond.

Nominate a WMA Member for the National Service Award

The National Service Award (NSA) recognizes an individual's significant contributions in support of our National Purposes.

Any WMA member can submit a written nomination for consideration and approval by the National Board of Directors.

Criteria for the award include: Nominees should have contributed significantly to the achievement of the WMA National Purposes.

Awards should not be authorized simply for the performance of duties expected. An exception might be made for dedication above and beyond the call of duty. It is important to remember that this is the highest award that is given by our Association and it should be preserved and not diluted in any way.

All submissions should include strong, clear reasoning and specific examples of actions to justify why the nominee deserves this prestigious award; as well as the wording for a proposed citation (short summary of the nomination proposal) to be read to the convention delegates and guests at the time of the presentation. An individual cannot receive more than one NSA for the same service achievement although can be nominated again for different reasons. No more than three (3) awards will be presented at a convention.

Please submit your nominations (justification and proposed citation) for consideration to the National Secretary at Sec@womenmarines.org. The deadline for submissions is 15 August 2022. Let us all help to recognize those who have made a difference in supporting our National Purposes and promoting the future of WMA. 3
