

Julia E. Hamblet Award Nomination Form

Submit nominations to the WMA National History and Archives Committee

All supporting documentation must be submitted in PDF format.

history@womenmarines.org

CRITERIA

Nominations for this prestigious award shall be submitted for an individual or team (male or female, military or civilian) **whose efforts have furthered and preserved the history** of women who have earned the title of Marine. Nominees are those who made lasting contributions to preserving and furthering the legacy and history of women Marines through a variety of major and definitive historical efforts, including, but not limited to, the development of historical events or organizations, the creation of historical collections and displays, and published books on the history of women Marines. This award is considered the equivalent of a lifetime achievement award.

*Reference the Women Marines Association Standard Operating Procedures.
